

## **If only I could see**

Hey all those things, I would like to share with you  
Those things that I forget  
Those things that I would leave you for

And if you're higher than the moon  
Do you ever dream it talks to you  
So if you climb please do not fall  
'cose things are not the way they used to be

Hey my old love has slowly faded out  
There comes a time that you can not look back anymore

And as you're walking barefoot  
Do you ever need a solid shoe  
And when I'm silent all alone  
It seems like you're walking right there next to me

Hey there is nothing, I have to confess  
Not a thing for me,  
Not a thing for you to undress

So if you want me to forget  
I'll have to tell you that I'm leaving now  
And if only I could see,  
What I did and what you've done to me
